1	The staff was very helpful and assisted me with all of my questions regarding my patient		
2	Being able to be around babies and children.		
3	the interaction with the residents		
4	I loved my patient and the people I worked with on Friday.		
5	The entire staff was so helpful.		
6	nothing		
7	Most of those I worked with at the facility were helpful.		
8	The staff was very helpful with answering questions.		
9	You get a lot of clinical experience		
10	Its a small place and you can not get lost going from place to place		
11	The staff was very helpful with answering questions.		
12	Compared to other LTC facilities that I have been to they seems to be more professional and the it smelled like you were in someones home instead of smelling of feces and urine.		
13	I like the nurses they where very helpful		
14	THE AVAILABLE HELP		
15	The staff were very knowledgeable.		
16	the nursing team was very helpful		
17	My CNA that was helping me was very friendly and helpful		
18	I liked the helpfulness and friendly environment.		
19	I like the hands on experience that I got to do		
20	Taking care of the women infants and children.		
21	The willingness of staff to help around during clinicals

10. What did you like least about the site?			
Response	Response Text		
1	Cleanliness...atmosphere was pleasant		
2	Lack of organization, cleanliness and professionalism.		
3	my resident slept my entire rotation, so I didn't get to interact as well		
4	Thursday, there were workers that were incredibly rude. I had asked for charts and instead of them being willing to show me where and how they are kept, the lady just said nothing and pointed in a direction. Thursday the workers at the desk on hall A were sooooo loud!		
5	N/A		
6	When I was obtaining my vital sign the LPN distracted my client.		
7	The RN that i had on Friday, was not helpful, she just sat at the desk most of the time. I felt like asking her anything was bothersome for her. I was helped mostly by the CNA.		
8	Nothing		
9	Staffing was short so was hard to get help		
10	The staff was not welcoming		
11	A little chaotic.		
12	none		
13	It was big and you really had to know where you were going		
14	NOTHING		
15	We only were able to stay one day!		
16	nothing		
17	The LPN weren't that helpful at Trinity Village.		
18	I did not like that the charts were in books and not in computers. A lot of it was written information. This could cause information to not be read clearly and charts can't be used two at a time.		
19	I did not like the fact that some of the employees had attitudes when questions where asked.		
20	I didnt like that we had to wait for nurse availability.		
21	i did not really have any problem in Trinity		
22	Nurses are always busy.		
23	nothing		
24	there was nothing I didn't like		
25	i did not have any problem in these site

11. How could the site improve as a teaching institution?			
Response	Response Text		
1	more rotations there would implement more clinical experiences		
2	Work with college to coordinate an actual clinical plan and be prepared for students.		
3	none		
4	Be more willing to help us as students learn! Remember that we are here to help YOU, our intentions are not to make your job harder!		
5	As a teaching institution the facility should let the students be more involved in the patients plan of care.. to know what is going on for the day		
6	nothing		
7	Better teamwork and collaboration, and be more eager to help the nursing students learn and feel free to ask questions and learn from the RN's on staff.		
8	Its already very good.		
9	More staff so nurses are available to answer in questions we may have		
10	Staff should be more friendly		
11	more order		
12	none		
13	I wouldn't improve anything, I had a good time		
14	IT WAS OKAY		
15	I saw no need for improvement.		
16	nothing		
17	Everyone could be involved as a whole		
18	none		
19	get the employees more involved in helping the students		
20	They could get 1-2 students at a time to follow them half the day and then assign us to another worker doing different things.		
21	I learned a lot which enhanced my understanding in my clinicals i gained confidence talking to the staff and patients		
22	The nurses should be more helpful and spend enough time to student.		
23	they could do computer charting		
24	no improvement needed		
25	i gained confidence & learned many things in clinicals
